Racism Accusation Case against the immigration authorities in Berlin

Dear activists and allies,

You may have heard about the lawsuit filed by The VOICE activist Mbolu Yufanyi against the State of Berlin.

If not, please read the full story here: <http://thevoiceforum.org/node/4807>

More than a year after the lawsuit was filed, the case was heard on 9 February 2023 (for more info, see the press release - <http://thevoiceforum.org/node/4838>).

Unsurprisingly, the judge sided with the State of Berlin and dismissed Mbolu Yufanyi's allegations of racial abuse without even hearing the witnesses or examining the evidence.

All along, The VOICE and Mbolu Yufanyi's networks have supported this complaint politically and financially. This would not have been possible without the existing independent structure of the last almost three decades of struggle against the system.

We need your support to maintain this continuity: **Till date, we have incurred bills of over 2000€**

Support Mbolu Yufanyi's court case by donating to Förderverein The VOICE e.V.!

Please donate using the purpose KEYWORDS: "MBOLO's court case".

One-time donations are welcome, regular monthly/yearly donations are even more important for the continuity of our work.

We depend on open donations for financial autonomy and to continue our independent work. Your donations help us to run our campaigns, mobilize resistance and work directly with other refugees.

With your solidarity donation, you prove the power of the common struggle in the movement.
